Introduction

Blocks are items which may be added to the left, right or center column (depending upon your theme) of any page in Moodle. Any block can be made ‘sticky’ so that it appears in all the contexts below, such as throughout a course or a particular activity. Blocks can be placed on the side of the screen (if your theme supports it) via the Dock icons ( and ).

We have created a series of tip sheets for several commonly used Moodle Blocks, such as how to Add a Block in your course. For a detailed explanation of other Moodle Blocks please visit: www.docs.moodle.org/22/en/Blocks
