Quick Grading

Introduction

In this tutorial you will learn how to use a grade book. In help you get your grading done and distributed the grades out to students. There are two modes to the grading form.

Quick Grading

Step 1: To begin, click on Grades from the Settings panel, after you have logged into your course.

Step 2: Click on the Turn editing on button.

Step 3: Enter the grade value in the appropriate field of the assignment you want to grade.
Step 4: Click Update

The Update field will appear highlighted with the value in the field.
