Pay for Classes
Summer courses must be paid for at the time of registration. Failure to pay will result in courses being dropped at the close of business on the day of registration. Financial aid students should
be aware that a financial aid award may hold your course from being dropped. All students who have decided not to attend a course must ensure that they have dropped the course online or in person. Please visit www.bhcc.mass.edu/tuition/tuitionfees-summer2016 and http://www.bhcc.mass.edu/admissions/studentpayment/payments/ for information on the cost of attendance and payment options.

Please note that payment plans are not available for summer courses and financial aid is only available for eligible students who were enrolled at BHCC during the 2015/2016 academic year. Please visit www.bhcc.mass.edu/admissions/studentpayment/refunds for information regarding refunds.

Registration for Community Education (Non-Credit Courses)
Community Education courses are non-credit classes taken to enhance computer skills, improve performance in the workplace, sharpen artistic skills, or for personal enrichment. Students who wish to register for a non-credit course may register online at http://www.bhcc.mass.edu/ce or in person at the Registration desk on the Charlestown Campus, Main Lobby or by contacting the Community Education Office at 617-228-2462. Directions for accessing your online account and BHCC email are available at the Registration desk, Main Lobby, B-Building, Charlestown. BHCC correspondence will be sent to your BHCC email account. Email accounts are assigned to all registered students. Students are required to check their BHCC email account frequently for up-to-date information concerning their academic record and official college correspondence.

The Higher Education Opportunity Act (HEOA) Textbook Provision
(Effective July 1, 2010)
What Does This Mean to Students?
Prior to or during registration, students will be provided with accurate course material information including the International Standard Book Number (ISBN) and retail price when available for each course listed in this course schedule booklet, or may otherwise indicate “to be determined.” Course material information is listed on the college bookstore web page at http://bhcc.bncollege.com. Students may click on the textbook tab at the top of the page and follow the directions.

Why is This Important to Students?
Students are given the convenience of buying their books at the same time they register with the added assurance that they are buying the right books for the right course. Students are made aware of the total cost of the course: tuition, fees, textbook, and materials; Students are provided information on whether or not a book is required or recommended, giving students the option to purchase.

Obtain a BHCC Identification Card
BHCC students are required to carry a current BHCC OneCard while on campus. Bring a copy of your current class schedule and government issued photo ID to the Charlestown Campus ID station in the Library in room E300 or Chelsea Campus ID station in Room 202 to get your picture taken. For ID station hours visit http://bhcc.mass.edu/library/bhccidcard/.

Obtain a Parking Permit
If you wish to park on campus you must purchase a BHCC parking permit valid for the entire semester. Student permits are available for purchase early at any time by going online at onlineservices.bhcc.mass.edu. Click on Web Advisor for Students, and then click on Purchase a Parking Permit. Complete the application and payment. Permits will be mailed to the address entered on the application. Be sure to enter your address correctly as we are not responsible for lost or stolen permits. Allow seven (7) days for mailing. You may display your purchase receipt on your dashboard until permit arrives.

Course Information and Requirements
Course Prerequisites
Some courses require students meet certain conditions prior to registering, known as prerequisites. Prerequisites include the following: completion of lower-level courses with a grade of C or higher (unless otherwise noted); completion of computerized placement tests (CPTs); or admission to a specific program of study. Students must bring proof of course completion from other colleges or universities at the time of registration. Because we allow preregistration for BHCC students, it is the student’s responsibility to drop the course if the final grade of the prerequisite course is a failing grade.

Developmental Courses
Courses with numbers below 100 are considered developmental, not college-level. Only college-level courses count toward an associate degree or certificate.
Schedule Adjustments
Students who wish to make an adjustment to their schedule must make the adjustment online. Students who have difficulty and are unable to process a schedule adjustment online should seek assistance at the Registration desk, Main Lobby, Charlestown Campus or Enrollment Services on the Chelsea Campus. Summer courses must be added before the course begins. Center for Self-Directed Learning courses must be added prior to last day to register for a CSDL course as noted in the Academic Calendar. Students who adjust their schedule (including adding a waitlisted course) must make full payment at the time of the adjustment. Financial Aid recipients must notify the Financial Aid Office of any adjustments to their original registration and all adjustments must be made by the end of the designated schedule adjustment deadline. Failure to do so will result in the dropping of all unpaid courses. If you accept a seat in a course for which you are waitlisted you must make payment arrangements for that course immediately.

Auditing a Course
Students who wish to audit a course must obtain permission from the Registrar. Students planning to audit a course must indicate their intention at the time of registration, must have the required prerequisites for the course, and are required to pay full tuition and fees.

Alternative Learning
BHCConline: Your Source for Distance Education
BHCConline has been a leader in developing innovative methods of instructional delivery by offering the convenience and flexibility of Distance Education courses, with a greater course selection to facilitate student success. The BHCConline curriculum is comprised of:

- Web courses available entirely via the Internet (section “WB”)
- Hybrid courses, that rely on both the Internet and traditional classroom instruction (section “HB”)
- Web late start semester (section “WBL”)

For more assistance, and for information about orientation, along with general information regarding BHCConline, www.bhcc.edu/bhcconline or call 617-228-2466, or visit the BHCConline Office (located at the Charlestown Campus H-Building at 570 Rutherford Avenue, behind the Hood Milk Office Park – Room H134).

Center for Self-Directed Learning (CSDL)
The Center for Self-Directed Learning (CSDL) provides a unique program of study for Bunker Hill Community College students. This guided self-study program allows students to complete coursework without attending traditional lecture classes, but instead by working independently according to their own schedule and educational needs.

CSDL students work under the guidance of a course facilitator, who will be available to answer questions, offer advice, evaluate, respond to and grade student work. Facilitators are assisted by trained professional and peer tutors, who work closely with students in a one-on-one setting, or in small groups. Through the use of textbooks, multimedia resources, and required weekly hours in the CSDL, students remain active and engaged.

For more information, please visit our website at bhcc.mass.edu/csdl, call 617-228-2225, e-mail us at csdl@bhcc.mass.edu, or visit room H165.
