Waitlist Status

Each application cycle (Fall Semester) a waitlist may be created for qualified Medical Imaging Program applicants. The number of students that are placed on a waitlist changes each semester. Waitlisted students will follow the same process as accepted students and attend the program specific orientation to maintain their place on the waitlist in preparation to fill a vacancy in the program should it become available. The number of students admitted from the waitlist changes with each application cycle. Acceptance off the waitlist is not guaranteed. Waitlist status is only applicable for acceptance into the current semester the student is applying for. Students not selected from the waitlist, if interested will need to reapply for consideration of acceptance in a future semester.

Criminal Offender Record Information (CORI) and Sex Offender Record Information (SORI)

As a prerequisite for a clinical placement this program requires that all students must undergo a Criminal Offender Record Information (CORI) check and a Sex Offender Registry Information (SORI) check. Visit <https://www.bhcc.edu/studentcentral/academicrecords/coriandsorichecks/> for more information.

Required Immunizations:

Students who are admitted into the program must provide proof of the following vaccines/immunizations to Health Services

Due: 1 month prior to the start of clinical:

- Tetanus, diphtheria and pertussis: (TdaP) vaccination required within the past 10 years, then a Td booster every 10 years
- MMR- evidence of two live vaccinations or immune titer results required
- Hepatitis B- Evidence of three doses of Engerix-B or Recombivax-HB formulations of the hepatitis B vaccine on a 0, 1, 6 month schedule or 2 doses of the Heplisav-B formulation on a 0 and 1 month schedule. Test for hepatitis B surface antibody (anti-HBs) 1-2 months after final dose in the series to document immunity.
- Varicella (chickenpox) - evidence of two vaccinations or immune titer results required
- Meningitis- Menveo or Menactra dose required after 16th birthday for all newly enrolled students between 16- 21 years old. (These vaccines are known as MenACWY, formerly listed as MCV4.)

Due by: October 1st (annually)

- Influenza Vaccination: required by October 1st (annually).

- Physical Exam: The exam must be within 1 year of the program start date.

Due Between: June 15th - August 15th

- Tuberculosis Screening. Student must receive either IGRA- serology (T-SPOT or Quantaferon GOLD) or Mantoux testing (PPD).
- If a student has a positive (PPD) please contact the health coordinator for further instructions.
- COVID vaccination. All health professions students are required to be fully immunized for COVID 19. A student is considered fully immunized 2 weeks after their 2nd dose of a 2 dose series, such as the Pfizer or Moderna vaccines OR 2 weeks after a single dose vaccine, such as Johnson & Johnson's Janssen vaccine. In addition, most clinical sites require students to have received a Booster dose. As COVID-19 continues to evolve, students are advised that additional COVID-19 immunizations/boosters may be required by clinical sites as a condition of attendance. Clinical sites have sole discretion with regard to their COVID-19 immunization/booster policy and failure to comply could result in a student forfeiting their clinical placement.
