BHCC Technology Support Services
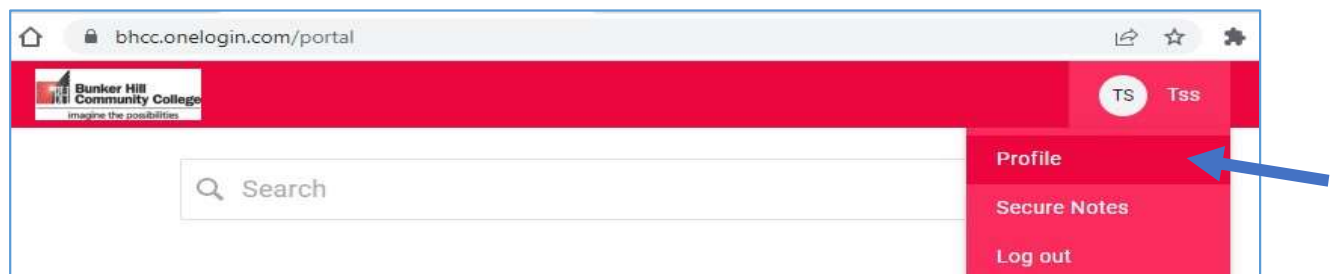

BHCC uses "OneLogin" for accessing your BHCC technology resources; for security reasons, we are requiring all BHCC users to follow our enhanced security measures. This will ensure that BHCC is compliant with information security laws.
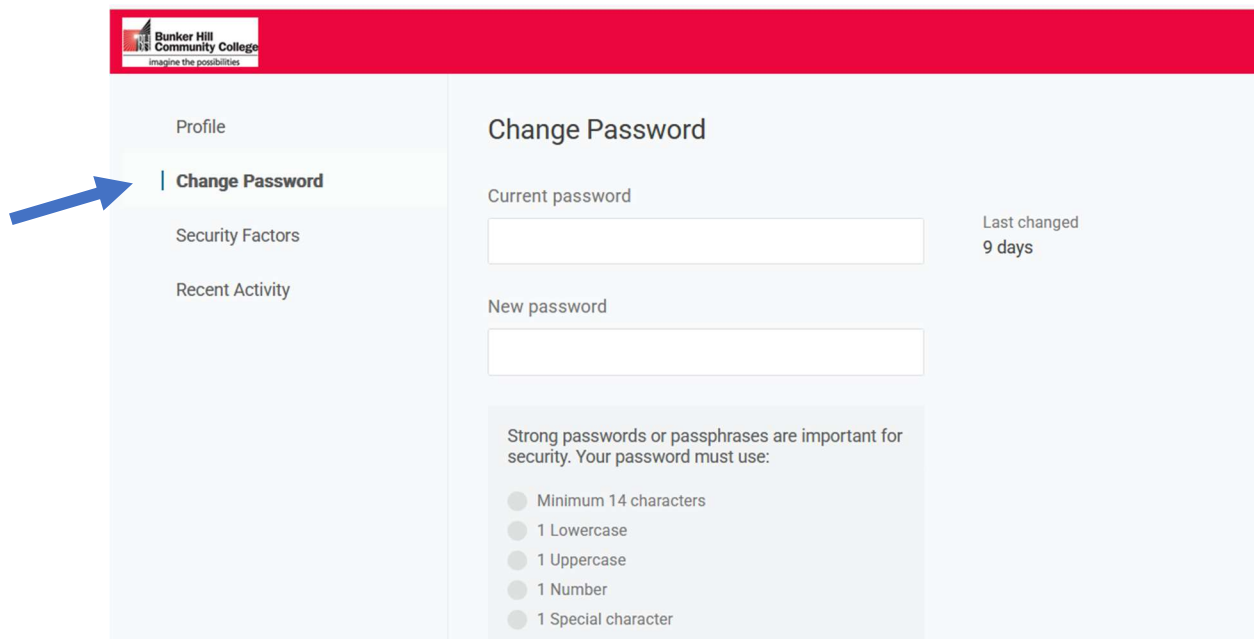

TO CHANGE YOUR PASSWORD:

sign into OneLogin http://bhcc.onelogin.com

If you do NOT know your username or password, please contact the helpdesk (helpdesk@bhcc.edu or 617-228-2326).

Click on your name in the red bar, and choose "Profile" from the drop-down menu

Click on "Change Password" from the list on the left

Notes on Passwords:

1. You must have a strong password; the rules are listed under the password change fields.
2. You cannot use any of your last **5** passwords, or any part of your name (first or last), you will get an error message.

Once you have changed your password, you can access your BHCC resources!

Please remember to update your password on any other devices that you use; phone, tablet, etc.

If you have any questions, please email the helpdesk
