Late references may prevent an applicant from being considered.

STUDY ABROAD PROGRAM (indicate country)

Under the U.S. federal law (Section 438 of Public Law 90n 247, as amended), students are permitted access to certain education records. Section 438(a)(2)(B) provides that a student may waive the right to inspect confidential letters of recommendation. Many applicants have found that a recommendation letter written in confidence has a greater impact than one to which the applicant also has access. If you waive your right to inspect the information requested by this form, please sign below.
