

# **BUNKER HILL COMMUNITY COLLEGE POLICE DEPARTMENT CONTINUING EDUCATION**

**2023**

## Department Training and Continuing Education - 2023

The Bunker Hill Community College Office of Public Safety and Campus Police strives to achieve excellence and deliver the high-level of service its community deserves and expects. With training as a top priority, we maintain proficiency and skills in an ever-changing environment. We are committed to enhancing our partnership with the community and are eager to build, locate, and facilitate training programs that will benefit our officers and the public we serve.

Each year, members of the Department receive a series of in-service and specialized trainings in support of the department's training initiative to introduce segments of its CORE Training Program and align our efforts with the 21st Century Policing training model.

Annually, the Department is required to complete training through the Massachusetts State Police Online training module as well as the MPTC (**Municipal Police Training Committee**)'s Acadis system in order to maintain Special State Police Officer (SSPO) certification and Policing Certification through the POST (**Police Officer Standards and Training**) Commission. This training requires a minimum of 24 to 60 hours for officers to complete. In addition, and in partnership with the Chelsea Police Department and the MPTC, our officers also complete 40-hours of in-service training each year. The Department always looks to enhance its training and abilities for the good of the Community. Additional trainings are also added annually and are listed below.

At the Office of Public Safety and Campus Police, we believe in fair and impartial policing in service of all community members. We work diligently to build and sustain trust and positive relationships with the diverse community we serve at Bunker Hill Community College, and as communities across the U.S. continue to contend with racism, we support the College's mission to confront racial injustice.

## Department Training and Continuing Education - 2023

In 2023 officers of the Bunker Hill Community College Police Department continued to complete courses required for a “Bridge Academy”, which included an added 200 hours of trainings. Training for this academy included topics like EVOC (Emergency Vehicle Operation), Firearms, Defensive Tactics, Investigations, etc. We were also able to return to sending officers to more diverse training courses and continue to expand the collective knowledge of our department!
