

Rapid Recovery & Reemployment (R3)

About the Program

BHCC's Rapid Recovery and Reemployment (R3) Program is a unique opportunity that allows students or community members impacted by the COVID-19 economic downturn to get back in the game with possible financial support. Eligible participants may have access to full tuition and materials scholarships.

These short-term trainings will allow a student to study over a shorter period, develop skills in a field, and earn an industry-recognized credential, which makes them employable quicker. Students will be required to meet attendance and other requirements to access all funding opportunities.

Students who are unemployed or demonstrate great financial need will be considered first especially if you do not have financial assistance through another resource.

R3 Approved Programs

- Dental Assisting Technician
- Certified Nursing Assistant (CNA)
- Emergency Medical Assistant (EMT)
- Electrocardiogram Technician (EKG)
- Veterinary Assistant
- Phlebotomy Technician
